Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
but you're forever in my heart
until we meet again

*They say memories are golden, well maybe that is true.
We never wanted memories, we only wanted you.*

*A million times we needed you, a million times we cried.
If love alone could have saved you, you never would have died.*

*In life we loved you dearly, in death we love you still.
In our hearts you hold a place no one could ever fill.*

*If tears could build a stairway and heartache make a lane,
We'd walk the path to heaven and bring you back again.*

*Our family chain is broken, and nothing seems the same.
But as Spirit calls us one by one, the chain will link again.*
